

UNIT 503 WEBSITE SCAVENGER HUNT

Like many of you, I have bookmarked the Unit 503 website page called "Game Results" and often just go straight there to see how I did in a game. However, I have recently started wandering about the site to see what I could learn about our club and its members. I was amazed at how much I didn't know and what a rich and interesting history and community the Palo Alto Bridge Club really is. I wanted to encourage others to explore the site and learn more about the club.

So here is the challenge: Following are 8 questions about the Palo Alto Bridge Club. All the answers can be discovered by visiting the website and reading what is there. The Board is offering a challenge ... The first 5 people who submit correct answers to all the questions listed below will receive a free play in the regular scheduled game of your choice. You need to email your answers to:

judigentry.bridge@gmail.com. By the way, you have to include where on the website you found the information. It doesn't count if you just happen to know the answer! Have fun learning...

Questions about Palo Alto Bridge Club

1. According to the By-laws, what is the purpose of the Palo Alto Bridge Club?
2. What is the approximate membership of the unit?
3. We know that we have a wonderful program for children and youth called SiVY Bridge (Silicon Valley Youth). It was founded in 2013 and has steadily grown. Many clubs throughout the country are reaching out to youth and encouraging them to try their hand at bridge. Here's your question: in 2015, approximately what percent of the masterpoints won by Youth in all of ACBL were players from SiVY?
4. In addition to the bridge center, how many other locations are listed on our website for games sponsored by Unit 503? (Note: some of these are not open to the general public) Please list them.
5. What is the primary source of revenue for the Palo Alto Bridge Club?
6. What is the Mini-McKinney?
7. During the Firecracker Sectional Tournament, we solicit donations for a charitable organization. What is the charity?
8. We have a wonderful library of books on bridge that is available to all members, free of charge. How long can a member keep a book they check out? How many books can you have at one time?

Okay. Start reading. The first 5 correct replies will get a free play. If you like this, we'll try it again next month.
